“At Ricciardi Marble & Granite, we are privileged to work with the area’s top custom home builders, architects and interior designers, as well as discerning homeowners,” Ricciardi says. “When the builder or kitchen designer’s clients come in, the office staff will take them directly to the yard and help them match or choose their colors and styles on the spot.”

The company has a new backsplash machine that polishes the material very quickly. Ricciardi Marble & Granite is constantly purchasing new equipment to

meet strong customer demand for premier quality and top-notch craftsmanship.

“At Ricciardi Marble & Granite, we strive to provide our customers with the highest level of satisfaction,” Ricciardi adds. “We take pride in our work and look forward to fulfilling our customers’ wants and needs, no matter how challenging.”

Ricciardi Marble & Granite is located at 176 Airport Road, Hyannis, MA 02601. For information, call (508) 790-2734 or visit www.capecodcountertops.com. ■
